## TO ALL PARENTS AND CARERS

Dear Parents and Carers

We are ensuring our communication with you is easier, quicker and more efficient.

I am pleased to inform you that we have introduced a new app service to the school. OurSchoolsApp is a personalised app for our school and will allow us to keep you all updated with school information, news, calendar events and contact information.

If you have a smartphone (Android or iPhone) you can download OurSchoolsApp from Google Play Android or the Apple Store for FREE. Access is also available on a tablet and iPad by following the same download process.

When we update OurSchoolsApp with new information or news about the school, a push message notification will automatically be sent to your device to inform you of this update. You can then view the notification which will then take you directly to our app.

Please see on the reverse of this letter download instructions.

If you do not have a smartphone you can still view the app and the information online at [www.OurSchoolsApp.com](http://www.OurSchoolsApp.com).

Yours sincerely  
**Catherine McLaughlin**  
**Headteacher**
